

Bright Green Futures Workshop - Route to Living your Dream

Where you are now

How to get there

Where you want to be

1. Your Values

What do you value most in life?

What is most important to you right now?

2. Your Current Living Situation

comfort

sustainability

space

monthly costs: rent/mortgage, bills, repairs

What could you do without?

3. Your Neighbourhood

How do you describe your current neighbourhood?

What things would you like to improve about your neighbourhood?

How well do you feel you know your neighbours?

4. Your Life

What is your work/life balance like?

Do you feel you have enough time for yourself? For your family?

How and where do you spend your weekends/leisure time?

What about your work & life would you like to change?

What needs to happen in the next 3 years?

What's in the way?

What solutions do you see?

Close your eyes and imagine where you would like to be in 7 years time.

Where are you living?

What does your home look like?

What does your community look like?

Who is there with you?

What are the things you most value?

What will your working life be like?

How about home comfort & daylight?

How will your environmental footprint have changed?

What about cost of your home: mortgage, bills, repairs, income from lodgers, etc.?

How much time do you have for yourself?

How much for your family?

How much for your work?

Where are you working?

Where are you spending your free time?
